UNITED STATES INTELLIGENCE BOARD

MEMORANDUM FOR THE UNITED STATES INTELLIGENCE BOARD

SUBJECT : U-2 Photographic Coverage [] 25X1
REFERENCE : USIB-D-41.14/162 (COMOR-D-56/43),
31 July 1964, limited distribution

1. In restricted session at the 10 September meeting of the United States Intelligence Board the acting DIA member raised the problem of the great need for U-2 coverage [] for contingency planning purposes. He said that CINCSTRIKE, General Paul Adams, had requested photographic coverage [] 25X1
[] as soon as possible. 25X1

2. The Chairman commented that he saw no objection to having carrier-based U-2s do this job and noted that such a program was already under study (see reference). General Carter and Admiral Taylor commented on operational aspects of providing for carrier-based missions.

3. The Board then concurred in the Chairman's proposal that the NRO, with the participation of Program B and the assistance of the Navy, be requested to prepare a plan for presentation to the 303 Committee for U-2 coverage [] area, based on advice from COMOR. as to intelligence requirements. 25X1
